

VINAYAKA MISSION'S KIRUPANANDA VARIYAR ENGINEERING COLLEGE, SALEM
A CONSTITUENT COLLEGE OF VINAYAKA MISSION'S RESEARCH FOUNDATION
(DEEMED TO BE UNIVERSITY)

Science Club Lecture - 08

To enhance the scientific knowledge of students, in various spheres of Science and Technology, the department of Science and Humanities has arranged a Science Club Lecture Series on 30.12.2020 in Vinayaka Mission's Kirupananda Variyar Engineering College. Dr. A. Nagappan, Principal inaugurated the Eighth-on-line Lecture Series and followed by Welcome Address by Dr. C. Senthil Kumar, President / Science Club, CC-Physics. Dr.Sanjay singh,Professor of Mechanical Engineering, presented a lecture to the Science Club members on "Applications of Principles of Physics in Aeronautics" through Online-platform. He pointed out Aeronautics is also one of the field in which laws of physics play an important role in making an object to get airborne without any form of mechanical support. He explained various parts of the aeroplane and its function. The Science Club members actively participated and raised fundamental questions which were very well explained by the resource person. About 150 participants were connected and get benefited. The function ended with vote of thanks by Mr.A.Gilbert sunderraj,Treasurer/Science Club. The arrangements were made by the faculty of Physics and Chemistry department.

Dr.C.Senthil kumar Raised questions and answered by Dr.Sanjay singh.
