

VINAYAKA MISSION'S KIRUPANANDA VARIYAR ENGINEERING COLLEGE
DEPARTMENT OF PHARMACEUTICAL ENGINEERING

GUEST LECTURE ON “NATURAL THERAPIES FOR DIABETICS“

By Mr.P.Jayaprakash,

Managing Director, Knovonat, Salem

18.11.2020

The Department of Pharmaceutical Engineering in Vinayaka Mission's Kirupananda Variyar Engineering College organized a guest lecture on 18th November 2020. Around 130 students from VMKVEC, VMCOP and JKKN were participated in this lecture and were benefited from this session. Dr. S. Anusuya, Head, Department of Pharmaceutical Engineering, Vinayaka Mission's Kirupananda Variyar Engineering College introduced the speaker and welcomed the gathering. Dr.A.Nagappan, Principal, VMKVEC delivered inaugural address and felicitated the guest.

Mr. P. Jayaprakash, Managing Director, Knovonot, Salem the chief guest of this programme, explained the significance of natural medicines for Diabetics, which includes Aloe vera, Kabasura kudineer, Aavaram Poo (*Senna Auriculata*). Queries by students were well addressed by the speaker. The session ended with vote of thanks by Ms.S.Megala, Assistant Professor, Department of Pharmaceutical Engineering, Vinayaka Mission's Kirupananda Variyar Engineering College, Salem.

Mr.P.Jayaprakash, explaining about the natural remedies for Diabetics
