

**VINAYAKA MISSION'S KIRUPANANDHA VARIYAR ENGINEERING
COLLEGE, SALEM.**

DEPARTMENT OF BIOTECHNOLOGY

**REPORT ON ALUMNI INTERACTION - AWARENESS ON
ENTREPRENEURSHIP**

DATE : 24. 03. 2022

On March 24, 2022, the "Department of Biotechnology" at Vinayaka Mission's Kirupananda Variyar Engineering College in Salem had an Alumni Interaction. During the academic year 2008–2012, Mr. Gyaneshwar Pater, Director, Chaperon Biotech Pvt. Ltd Kanpur, Uttar Pradesh, was a member of our department. He is a motivated, hardworking, and gifted individual who excelled in his studies. He had an interaction session with our pupils in their classroom at SQCF 8. He had given a talk about his life at Salem's Vinayaka Mission's Kirupanandha Variyar Engineering College. He encouraged his juniors to attend various conferences, symposiums, and training sessions at different institutes. He also discussed the relevance of the biotechnology area, innovation awareness, and job opportunities in and around India. He also mentored his juniors in areas such as biotechnology and higher education.

At the end of the session, he provided valuable information to our students. Head of the Department of Biotechnology, Dr.M. Sridevi, Associate Professor Mrs. C. Nirmala, Assistant Professors Dr. S. Anandakumar and Mr. S. Adaikala Selvan had welcomed and honored Mr. Gyaneshwar Patel by offering a memento on behalf of students, faculty members, and management.

Along with the Head of the Department, Biotechnology, Dr. M. Sridevi, Assistant Professors Dr.S. Anandakumar and Mr. Adaikalaselvan and Our Students welcome Mr.Gyaneshwar Patel for Alumni Interaction.
